Shooting Qualification Location: *Bridgeport Farm, 11651 Bridgeport Rd, Taneytown, MD*

Lunch and water provided.

This is a 16-hour course offered over two consecutive days. All requirements to obtain a Maryland Handgun Qualification License (HQL) and Maryland Conceal Carry Permit for will be met.

Carrying concealed is a major responsibility and can be a liability. It's important to have a firm understanding of "deadly force justification," weapons retention, defensive tactics, basic ballistics, threat evaluation, conceal vs. cover, and weapons manipulation.

- As of July 5, 2022 Maryland has eliminated the requirement of "Good and Substantial Reason" to obtain the MD Conceal Carry Permit. Any upstanding citizen can obtain a permit for the simple purpose of self-defense.
- Applicants are still required to submit documentation of the required training and a LiveScan fingerprint receipt.
- Fingerprinting is offered onsite.
- Various holster techniques will be taught.

Pre-registration must be received by March 7th.

Please remit completed form below with \$100 payment (checks made out to OWL) to:
